Well designed facility. Staff are friendly, caring and great communicators. Mum and Dad are both residents and love the "Grange".

I have experienced working in an aged care home and visited a few other aged care homes to see friends and each one different and all with staff that were quite caring and cheery at times. But for 2 years I have, along with my husband, visited a friend of 50 years in the Belmont Grange, Grovedale and she, along with another, also a resident of the Belmont Grange have never said or complained about any part of the home, they tell us about the food being enjoyable, the trips out in a bus to parts of Geelong, the attention they get and the activities provided. I can see by the many options the residents can choose from on the Board, lots of visiting entertainment and visits by school children which residents enjoy.

We have had an amazing 7 months, the staff have been amazing with my mum. Nothing had been any trouble settling in my mum. I have found all staff to be very friendly. It took no time for my mother to settle in.
