The most amazing care and service anywhere I have found in the world. You can feel the love as soon as you walk in and the staff are incredible. A special hello to all Mary Ann and Kum Si I hope spelling is correct and to all that looked after Mr after major surgery for 9 days ideally didn't want to come home they all made recovery such a pleasure. The relationship between staff and residents was just beautiful. And a special thank you to Nicholas a resident there who was just lovely even helped me to put socks on. If you ever need a beautiful place to heal after surgery or are looking for a special home for a loved one who is still quite independent look no further I have found it for you. Thank you to everyone.
