A homely yet professional establishment where individual choice is paramount. Very caring and hard working staff.

My dear mother was cared for gently and lovingly until she passed away with dignity at the Colton Court facilities in McLaren Vale SA. She didnt want to go into care snd argued like crazy, but once there, loved it. Each separate unit has 3 rooms and all are joined out the back door by an outside undercover corridor for carers and catering staff to utilise. She even had her own front yard and front door. She has passed on now but I will always be grateful for the care all the beautiful staff gave her whilst she lived in their friendly facilities. There should be more nursing homes like Coltton Court.
