Staff are very helpful and caring in every way. They always appear happy. Building is looking a little tired and in need of freshening up, particular the bathroom.

Building is old and needs upgrading. Staff are awesome, very caring and helpful. Bathrooms substandard and general areas smell bad most of the time. General decore is very depressing, nothing a fresh coat of paint wouldn't fix! Residents deserve to have a "happy place" to live, not a dark depressing, smelly home. Does not make it pleasant to visit. My nose wrinkles every time and my grandies don't like to visit.
