Get Information Pack Now

Our staff are trained in the HammondCare philosophy of respecting, supporting and promoting the independence of older people, including specialised dementia care. We have a Registered Nurse available 24 hours a day, seven days a week, and our care homes are overseen by a highly competent and experienced management team, with our Namarra home providing specialised dementia care. We do this to ensure residents receive individualised and specialised care.

Residents are encouraged to bring their own furniture, soft furnishings and mementos to make their rooms familiar and comfortable. Residents are encouraged to take part in domestic and recreational activities that foster their self-worth and dignity, and are reflective of their earlier life. These activities are seen as opportunities to engage in normal life. We also offer a range of Pastoral Care services including weekly Shabbat and traditional Catholic services.

HammondCare Caulfield is located next to Caulfield Hospital, a café and kiosk is available in the adjacent hospital facilities.
