I have now resided at Peakhurst Retirement Village for twentytree years. I came in as a self-care resident, and in 2009 I became low care. The staff are very caring, and I feel very secure in my little home. It is like a little home - I have one bedroom, living room, bathroom and kitchen. What more could I want. In my early days, here at the Village, I was very active in all the Village affairs. I have seen the Village grow, but now I live a very quiet life and enjoy my care. The food I have rated low. O have an intolerance to acid foods as well as high fibre foods. My diet is a difficult one. I hope to enjoy some more years here at Peakhurst Retirement Village.
