Do not waste your time..looks great but care is poor..cyanide dressed as champagne - much better facilities - do your homework, take a tour at night ???

Excellent facilities, beautiful large gardens (one facing south and one facing north) including old fig trees. As with no doubt most aged care facilities I do wish the care staff had the time to just stop and spend some time with residents eg reading them a simple book. Haven't seen the occupational therapist. Overall definitely recommend this aged care facility.
