Some rooms need refurbishing. They are plenty long enough but not wide enough when wheelchairs etc are used. Staffing is minimal most of the time and those on duty find it hard to give everyone the attention they deserve. Admin people are nice enough but take their time to follow through with any requests made.

My relative is reasonably happy there. She is blind so she may not get the same experience as sighted people. On a whole the Facility is very good. Caters to the resident's needs very well.
