I think the place is run very poorly. No nurses no one is qualified there . They are not considerate towards your age or what you have wrong with you very rough undressing and washing people . The food is very bad mash potatoes every day cabbage and very little of . Dinner was normally two party pies sasuage rolls and piece of bread . My mum was hungry ,most nights and I was bringing her food every day. when asked for more then they gave her bread no butter slice of cheese there was no supper . The whole place is very run down everything needs replacing . We changed her from there to a place in Naree Warren ( casey manor ) we could not get over the difference not only was it nearly have the price cheaper but it was clean meals where great and staff were qualified. She was only there for respite after a falling accident and breaking her wrist and elbow but I know I will never put her back there.
