St Andrews Ballina, no staff around, mum broke her leg and it was found only because I put her in a wheelchair and took her next door to the local hospital. It had been broken for over 4 weeks and had calcified. Mum passed away 12 days later. The place looks "lovely" thats why I chose it. Care was terrible.

we had to put the old fellow(our great and dear Friend Fitzy) into care as he was no longer able to be at home the staff have been amazing with his transition he has said nothing but positive things about the food and the help/care he has received we are truly grateful to Staff and voluteers that work in aged care

I couldn't think of a better place to have the ones we love so dearly.
