My uncle has dementia and is in this dump. Do not send anyone you care about to this place. Disgraceful.

The facility was lovely and the staff extremely caring and thoughtful. The activities program was creative and entertaining.

My mum went for restbite after an op. Worst experience ever. 30 min wait for toilet. Only use of 1 arm no cut up food. Bed so uncomfortable she slept in the chair. Its not a home its an asylum. Never again.

My mother was injured there. Died 4 days later. Staff forgot to call the family while she was dying. Unforgivable.
